
BELLAIRE SERVICE AREA

Bellaire is a water only system and is located approximately 5.0 MILES southeast of Ocala just off the junction of SE 58th Ave (CR 35) and SE 24th Street. The FGUA serves 217 customers.

In April 2014 Marion County Utilities suggested that FGUA interconnects this system to Marion County Utilities for water. In September 2014, the Bulk water agreement with Marion County Utilities was approved by FGUA Board for connecting the Bellaire system to Marion County Utilities.

Water System Summary

The water system has one water treatment facility. This is a Category V Class D Facility with a permitted capacity of 0.132 Million Gallons per Day (MGD).
